Application No. **09/688,715**
Filed: **October 16, 2000**For: **SYSTEM AND METHOD FOR AN ADAPTIVE SALES INTERVIEW SEARCH TECHNIQUE**

The owner, **International Business Machines Corporation** of **100.00** percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second Application Number **6,035,283**, filed on **October 10, 1997**.
The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the second application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of any patent granted on the second application, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any such granted patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued, or in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The Petitioner, INTERNATIONAL BUSINESS MACHINES CORPORATION, certifies that it is the assignee of the entire right, title, and interest in the instant application by virtue of the following assignment of the patent application identified above:

Assignor	Assignee
John J. Rofrano	International Business Machines Corporation

Petitioner further certifies that the evidentiary documents have been reviewed, and that, to the best of Petitioner's knowledge and belief, title is in the assignee (IBM Corporation) seeking to take such action.

Petitioner further certifies that, to the best of Petitioner's knowledge and belief, title of United States Patent No. 6,035,283 is in the assignee (IBM Corporation). The Petitioner hereby disclaims, except as provided below, the terminal part of any patent granted on the instant application, which would extend beyond the expiration date of United States Patent No. 6,035,283, filed on October 10, 1997, as shortened by any terminal disclaimer. Petitioner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and United States Patent No. 6,035,283 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors, or assigns.

In making the above disclaimer, disclaimant does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 USC §§154 to 156 and 173 of United States Patent No. 6,035,283, in the event that such patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.
